I hereby confirm that I am fully contractually capable and that I am willing to grant the Photographer the irrevocable right, that may be transferred to third parties, to use the Content without any restriction of time, content or territory and to transfer this right for utilization, in whole or in part, to third parties, "Entitled Persons". These are in particular Mostphotos AB, Box 16083, 103 22 Stockholm, Sweden (hereinafter referred to as "Mostphotos"), companies affiliated with Mostphotos as well as their customers.

If the Content has been created in a protected area (apartment or fenced area) that is part of my private sphere, I herewith confirm that I am the authorized person who may decide whether or not this Content from/in the protected area may be used.

The authorization covers all the rights of use required for the comprehensive utilization and processing of the Content by the photographer or by the Entitled Persons. The authorization shall continue to be valid even after my death.

The authorization includes:

- Reproduction right
- Distribution right
- Right of public accessibility
- Transmission and broadcasting right
- Right to use the Content online
- Right edit the Content, e.g. Content may be combined, retouched or changed with other images, text and graphics, films, audio and audio-visual media

The permission for using the Content applies to every purpose, in particular, but not limited to, advertising and marketing purposes and other commercial uses.

The use of the Content is permitted in all contexts, except for pornographic or defamatory contexts.

I confirm that I have received the appropriate financial compensation for taking the photographs and the rights granted in this release. The receipt of this remuneration is acknowledged hereby. Thus, all possible claims against Mostphotos and their customers have been settled.

Where copyrights, performance protection rights or other rights have arisen due to my participation in the creation of photographs, to which I am entitled, the aforementioned declarations shall apply accordingly.

I understand that the Content is used without the mention of my name and that it cannot be excluded, however, that on individual photographs I might be identifiable. I recognize explicitly that there is no obligation to mention my name when reproducing the Content.

I have given all necessary declarations as required by data-protection law to the Photographer; I am also aware that the Photographer may store my data and use them for the purposes mentioned here in connection with the Content, e.g. in order to defend him/herself against any third-party claims or to secure claims.
